Dear Mr. Hearst:

Thank you for your letter of October 20th inviting me to address the delegates to the 1979 United States Senate Youth Program when they visit Washington, D.C.

I will be delighted to speak to this outstanding group of young people and have reserved 3:30 p.m. to 4:30 on my calendar on Tuesday, February 6th. If I cannot keep this commitment, as occurred last year, you may be assured I will designate another senior official to speak in my stead.

Yours sincerely,

/s/ Stanfield Turner
